Hill House – can only be described as spectacular from just about every standpoint. The huge villa, built in the epicentre of mountains, has panoramic views. It has a humongous Garden for bonfire and barbecue. From the splendid entrance, through to the full-sized parking space, a terrace with Majestic Mountain Views & Garden with swing, every possible concept in the villa has been embraced.

Hill House is brilliantly accomplished, extremely comfortable and has aesthetically pleasing interiors. It includes all the comforts starting from cozy sofas to chill on, delightful lights to light up your holiday experience, elegant paintings to posh architecture. Each of the Six bedrooms have a distinctive theme, including two master suites and a well-equipped living room

The Villa flaunts a massive swimming pool and a Huge Garden Area, which leaves you awestruck with its sumptuous feel and enormous capacity. **Hill House** is the best place to have private outdoor pool parties. The bright lights and ambience will make your parties a hit with our finest hospitality and services.

The HILL HOUSE - A Perfect Monsoon Gateway.
